

Celebrate the newest member of your family with a commemorative tile at the

Dr. F. Clifton Miller

Birthing Center

Wonderful Beginnings Happen Here!

Your new baby, grandchild, niece, or nephew has arrived! What better way to celebrate the occasion than by adding a commemorative tile in the baby's honor to the wall outside the Dr. F. Clifton Miller Birthing Center at Jones Memorial Hospital!

For a donation of \$250 or more, you are entitled to a personalized tile that will be engraved with any message you would like. Please use the form below to purchase your tile. You may have up to three lines, 30 characters per line.

All proceeds from the commemorative tile go to The Dr. F. Clifton Miller Trust Fund. Dr. Miller spent his entire medical career in Allegany County caring for the women and children of this community. This fund was established to honor his legacy and all donations will be used to support the healthcare needs of women and children at Jones Memorial Hospital for generations to come.
