Dear Prospective Applicant:

Thank you for your interest in the General Dentistry program at University of Rochester Eastman Dental Center. This application is to be used by international school graduates only.

All information and application forms are at <http://www.urmc.rochester.edu/dentistry/education/index.cfm>. The site includes a listing of all the Eastman Dental Center training opportunities. It also includes a question and answer segment that you might very find helpful.

Dentists trained outside of North America can apply to our two-year International Postdoctoral Program in General Dentistry at Eastman Dental Center. ***There is a \$125 application fee payable by check or money order to apply.***

Please fill out the first section of the "Letter of Recommendation" form from the Website and send it to each referee listed on Page 4 of the application. Personal letters are also welcome if the referee prefers that way. Also, please have your original dental school transcripts sent to our office. You should also include your score if you completed the National Boards.

We must receive your application by **September 25, 2009** for the program beginning June 2010. You will improve your chances for acceptance to the program by scheduling an interview ***after*** we have received your application and the supporting documents. This includes the three (3) letters of recommendation and your dental school transcripts.

Interview Process

- Interviews are conducted between September 1 and December 1, 2009.
- ***Applicants must schedule their own appointments for interviews by Thursday October 1, 2009.***
- Please call Mona Fine at 585-275-5087 or e-mail your request for an appointment to mona_fine@urmc.rochester.edu.

The International Postdoctoral Program in General Dentistry does not participate in the Postdoctoral Dental Matching Program.

We look forward to receiving your application.

Sincerely,

Marilyn Foy
