MEDICAL CENTER

Tenure-Track/Tenured Faculty Position
School of Medicine & Dentistry at the University of Rochester

The Center for Oral Biology in the Eastman Institute for Oral Health invites applications for a faculty position at the Associate or Full Professor level. Current research programs in the center include studies of the molecular mechanisms of craniofacial development and birth defects, salivary gland physiology and cell biology, organ development and regeneration, cellular signaling in cancer, and the molecular mechanisms of oral infectious diseases. We seek applications from individuals with research interests that will compliment our existing programs, including but not limited to developmental genetics, stem cell and cancer biology, tissue engineering and repair, bacterial physiology/pathogenesis, regulation of mammalian gene expression, protein/glycoprotein interactions, and exocrine cell signaling/differentiation. More information about the center and available positions can be found on the internet (<http://www.urmc.rochester.edu/center-oral-biology/>). Individuals seeking an appointment at the level of Associate or Full Professor must have a demonstrated record of extramural funding. For further details and to apply online, please go to: <http://www.rochester.edu/working/hr/jobs/> (Job ID #175946). Please provide your curriculum vitae, statement of current and future research interests, and names and addresses of at least three references. The University of Rochester is an Equal Opportunity Employer. Women and minorities are encouraged to apply.
