

GOLISANO CHILDREN'S HOSPITAL AT STRONG

Kirch Developmental Services Center

is the primary clinical program of the Division of Neurodevelopmental and Behavioral Pediatrics at Golisano Children's Hospital at Strong. We provide services to children with developmental delays and disabilities such as autism, cerebral palsy, spina bifida, and intellectual disability. To do this, our team works closely with families, Primary Care Providers, Early Intervention and school programs, and other community agencies. We provide evaluation of children who are suspected of having a disability. When children are known to have a disability, we provide specialized health care, monitoring their progress and paying extra attention to health and behavior challenges that go along with each disability. We provide specialized treatments for certain health and behavior challenges, like spasticity and feeding problems. We provide information and resources to families to help them get the right services or support.

EVENT BACKGROUND

History

Tim Milgate was brutally murdered in his home in Greece, NY on June 27, 1995 between the hours of 8:15pm and 11:00pm. To date, no one has been held accountable for this vicious crime.

Celebrating in Tim's Memory

By joining forces with the Cheshire Team, we continue to celebrate Tim's memory in a positive way, making a difference for the many children at Golisano Children's Hospital. This year we are keeping the Kirch Development Services Center as our primary focus.

A Commitment

We still hope to see those responsible for Tim's untimely death held accountable. However, the true mission of this effort is to make a difference in Tim's memory. We do have a \$10,000 reward available and a poster that you could help distribute.

You can download our reward poster at:

www.tntmemorial.com

Feel free to post it on your web site, or print and hang it in your place of business, or any appropriate high-traffic area.

Thank you very much for your assistance.

The Cheshire family is proud to host this event in honor of Mackenzie Grace Cheshire and all the other children who continue to benefit from the music therapy program at Golisano Children's Hospital. This year we are keeping the Kirch Development Services Center as our primary focus. In addition we will be making a donation to The Wilmot Cancer Center on behalf of Deb Milgate-Moyer.

Please fill out the application and send to:

Cheshire AV, Inc.

85 Jay Street

Rochester, NY 14608

Attn: The Cheshire-Milgate Golf Classic

All checks made payable to:

Cheshire AV, Inc.

Proceeds to benefit the Kirch Center music therapy program at Golisano Children's Hospital.

The Kirch Center specializes in helping children with movement disorders.
