Dear Prospective Applicant:

Thank you for your interest regarding the four (4) year Oral and Maxillofacial Surgery (OMFS) GME Residency Training Program in the Eastman Institute for Oral Health (EIOH) at the University of Rochester (UR). This program is fully accredited by the American Dental Association's (ADA) Commission on Dental Accreditation (CODA) and is recognized by the New York State Department of Education.

All information and application forms are on our website (<http://www.urmc.rochester.edu/dentistry/education/>). The site includes the number of available positions for the Academic School Year 2013-14, pertinent information regarding admission/eligibility requirements, a listing of all the Eastman Institute for Oral Health training opportunities and a Q&A segment.

In addition, other opportunities are also available to participate in graduate programs leading to M.S., M.P.H. and/or Ph.D. degrees at the University of Rochester. The M.S. in Dental Science has four tracks from which to choose: 1) Clinical and Translational Sciences; 2) Infectious Diseases; 3) Exocrine Gland/Ion Channel Biology Track Regenerative Oral Biology; and, 4) Craniofacial Development and Genomics. Your acceptance into the OMFS GME Residency Training Program does not guarantee acceptance into a degree-granting program.

Important information:

1. The OMFS Training Program participates in both the PASS and Postdoctoral Dental Matching (MATCH) Programs.
