Dear Friend of Highland Hospital,

The Highland Golf Classic is a great day of golf and fun every year, but the 2014 event will truly be one for the history books as we celebrate Highland's 125th anniversary.

In April 1889, a handful of physicians and nurses opened a very different hospital from the one we know today. "Hahnemann Homeopathic Hospital," as Highland was known then, had only twenty beds, and it relied on donations of medical supplies, blankets and food to keep it going.

Since then Highland has grown to 261 beds and treats many thousands of people in our community each year. Thanks to the support of donors throughout our history, Highland has not only survived decades of change and challenge, it has thrived. Generations of physicians, nurses, staff members and generous supporters like you have carried on the work that our founders began.

This year we have so much to celebrate, and much to look forward to. Highland is completing work on a new Radiation Oncology clinic, new Pre-Surgical Screening center and much more. Funds raised by the golf tournament, other Highland events and donations have made these advances possible.

We thank you for your support of Highland and hope you'll be able to join us for a very special Highland Golf Classic this year.

Sincerely,

Steven I. Goldstein
