To: Members of the Center for Musculoskeletal Research

## **CMSR WEDNESDAY CENTER MEETING GUIDELINES & SCHEDULE**

#### CADENCE:

- Every Wednesday from 8:30 am to 9:30 am
  - Speaker schedule will be determined quarterly in a rotating fashion of current trainees (i.e., presenters who presented twice in the previous semester will only present once in the current semester).
- Attached is the final Lab Meeting Schedule for the coming six months. Please mark your scheduled presentation date on your calendar. It is the presenter's responsibility to resolve scheduling conflicts.
  - If a trainee is unable to present during scheduled time slot, she/he and the PI are responsible for finding a replacement.
  - An open time slot is disrespectful to the people who come to the meeting.
- ➤ Please also remember, ON TIME attendance at CMSR weekly lab meetings is compulsory.

## LOCATION:

- In-Person (preferred and strongly encouraged): Meetings are typically held in Class of '62, K-207, or Adolph Auditoriums. Specific location to be announced prior to each meeting.
- Zoom: <a href="https://urmc.zoom.us/j/91688353658">https://urmc.zoom.us/j/91688353658</a>

# **FORMAT:**

- ➤ Each meeting consists of two or three presentations, each 12-15 minutes long, with 5-8 minutes for questions and discussion.
  - Presentations can focus on work-in-progress (including negative data and failed experiments and discussion of methodology and experimental direction).
  - Alternatively, the presentation can be more formal, comprised of a complete dataset that must include background, hypotheses, publication-quality data figures, interpretation of results and future directions. (i.e. data that is in preparation for publication).
- The previous week's presenters are required to introduce and evaluate the current week's presenting trainees.
  - These assignments are arranged in advance; the schedule is posted on the CMSR website, and an email reminder is sent.
  - Prior to the meeting, the previous week's presenters must contact their assigned presenting trainee to obtain a brief bio for their introduction
    - If the introducing trainee cannot attend the meeting due to illness or unexpected personal/professional matters, they are responsible for sending the presenter's bio to Dr. Chia-Lung Wu and Katrina VanOrman prior to the start of the meeting. Dr. Wu and/or Katrina will introduce the speaker.

## PRE-MEETING INSTRUCTIONS:

- For meeting preparation, the presenting trainee's presentation title is due to Katrina VanOrman (<a href="Katrina\_VanOrman@URMC.Rochester.edu">Katrina\_VanOrman@URMC.Rochester.edu</a>) by **noon on Monday** of the presentation week. This will facilitate the updates of Center Website announcing the presenters and their titles (<a href="https://www.urmc.rochester.edu/musculoskeletal-research/seminars/cmsr-weekly.aspx">https://www.urmc.rochester.edu/musculoskeletal-research/seminars/cmsr-weekly.aspx</a>).
- ➤ The final slides (Powerpoint slides are required) should be uploaded to <a href="https://rochester.app.box.com/f/d4eaf821c4a64c7292868652f2b43a44">https://rochester.app.box.com/f/d4eaf821c4a64c7292868652f2b43a44</a> by **Tuesday at 5 pm** of the presentation week.

- NOTE: All reminder emails from Dr. Chia-Lung Wu, Katrina VanOrman, and CMSR administrators will be sent to your **URMC email address** only.
- Formal reviewers by group (PI and trainees) will be scheduled to provide comprehensive written feedback (feedback forms are provided). Assigned reveiwers will receive a reminder email prior to each meeting.
- Faculty and trainee evaluations are required and should be completed promptly and directly emailed to the presenters with a copy to Katrina VanOrman.
- Presenters and student moderators MUST be in the conference room at least 10 minutes ahead of the meeting start time to confirm if your slides can run smoothly, including videos, if any. (Note: please DO NOT play your slides from the Box; download the file to the computer for a smooth presentation.)
- Presenters MUST bring their own laptops and have required adaptors ready for HDMI if needed in case the computer in the conference room is not working.
  - NOTE: <u>K-207 Auditorium's computer has difficulty showing videos in slides</u>. If you have videos in your slides, please be ready to use your own laptop for presentation and have Zoom ready.
- > Presenters must be able to present even <u>without</u> "Presenter View" from the Powerpoint. If you really need notes for your presentation, please print them out ahead of time.

# **EXPECTATIONS:**

#### Mentees

- Meet with their mentor/PI to decide which presentation format will be chosen (i.e., work in progress vs. formal) and enslist help to assemble the slides.
- Ensure presentation (without interruption) does not exceed 15 mins.
- Present slides that align with 'dirty data' or 'polished presentation' formats as dictated by current research/progress requirements.
- Identify potential conflicts that precludes presenting on assigned day once the schedule is released and switch dates with another trainee as soon as possible.
- Attend at least 70% of the CMSR Wednesday Center Meetings over the prior year (July 1<sup>st</sup> June 30<sup>th</sup>) to be eligible to compete for CMSR Symposium Rosier Awards and T32 Trainee slots.
  - NOTE: Only in-person participation counts toward the 70% minimum attendance
    requirement. Attendance records will be kept up-to-date by Katrina VanOrman. Please follow the
    COVID-19 guidelines posted by the UR: <a href="https://www.rochester.edu/coronavirus-update/health-and-safety/">https://www.rochester.edu/coronavirus-update/health-and-safety/</a>

# Mentors (PIs)

- Mentor trainees in preparation of presentations.
- Ensure trainees are aware of the two different types of presentation formats (dirty data and polished talks e.g., data ready for publication).
- Encourage trainees to be engaged by asking good questions.
- Coach trainees on how to ask questions professionally.
- Coach trainees on how to perceive feedback.
- Review the Center Meeting schedule to identify students who may not be present to participate.
- Be aware of when their trainees are presenting and notify administration of open spots.

#### All Center Members

- Punctual attendance is required of all Center members at all CMSR Wednesday Center Meetings.
- Professional etiquette is tantamount to ensure constructive discussions.

Chia-Lung Wu, Ph.D.
