Peri-FACTS® Academy

Lifelong Learning in Obstetrics & Gynecology

UNIVERSITY of
ROCHESTER
MEDICAL CENTER

Welcome!

Peri-FACTS® Academy is a unique online continuing education program that allows OB/GYN healthcare providers to easily obtain necessary nursing contact hours and CME credits. We offer a wide variety of cost-effective courses for nurses, physicians, nurse practitioners, nurse midwives, residents, and physician assistants.

What a One-Year Subscription to Our Core Course Includes

- You may enroll in the complete Obstetric Course with Fetal Monitoring
- Or you may enroll in the Antepartum/Postpartum Course
- The Gynecology Course is included at no additional cost with both courses
- New Peri-FACTS® Videos each month: Unique educational videos for additional learning opportunities with closed captioning
- Clinical Quandaries: Our advice column where we help you with your clinical and/or professional challenges
- Web Rounds Lectures: Shared presentations by the University of Rochester
- A Peri-FACTS® Store Discount: Subscribers always get 10% off all textbooks and videos in our online store
- Free Customer Support Phone Line: Need help navigating our online system? Experiencing a problem? We are available to answer your questions Monday-Friday, 8:00am – 4:00pm EST.

Obstetric and Fetal Monitoring Course

This course is designed for obstetric healthcare providers who seek continuing education in comprehensive obstetric care and fetal heart rate monitoring interpretation. Each month, a new obstetric topic is addressed in two articles and two corresponding clinical case studies relating to the monthly topic. You can earn an average of 1.25 nursing contact hours or 1.25 AMA PRA Category 1 credits for each article and the successful completion of its corresponding clinical case study.

Antepartum/Postpartum Course

This course is designed for obstetric healthcare providers who work in the antepartum, postpartum, or outpatient setting and do not need continuing education in fetal heart rate monitoring interpretation. Each month, a new obstetric topic is presented that includes two articles and two corresponding clinical case studies relating to the monthly topic. You can earn an average of 1.0 nursing contact hour or 1.0 AMA PRA Category 1 credit for reading each article and the successful completion of its corresponding clinical case study.

Gynecology Course

Each month, one article and a corresponding review test are presented on a new topic in Gynecology, GYN Oncology, Reproductive Endocrinology, or Urogynecology. You can earn an average of 1.0 nursing contact hour or 1.0 AMA PRA Category 1 credit for reading each article and the successful completion of its corresponding review test.

Why should you sign up with Peri-FACTS®?

- New topics in obstetrics and gynecology every month
- Multiple test attempts with instant test results
- Access to your certificate upon successful completion
- Online access that allows you to participate anytime, anywhere

Other Learning Opportunities

New Provider Course

This course is designed for new obstetric care providers and teaches the basics of fetal heart rate monitoring interpretation and fetal physiology. It is available as a one-year subscription for institutions, with unlimited access for your new providers. Contact hours are available for an additional fee. It also is available to individual participants. The fee for individuals includes contact hours and a 60-day access to the course.

Peri-FACTS® Classics Available Through Our Store

Peri-FACTS® Classics offer a variety of articles from fetal oxygenation to recent updates on topics, such as human immunodeficiency virus. New articles are added regularly. Contact hours are included for reading each article and the successful completion of its corresponding review test.

Student Tutorial

This course is designed specifically for the undergraduate nursing student and teaches an introduction to fetal heart rate monitoring and interpretation. This course is offered free to nursing schools only.

Nursing Contact Hours/Continuing Medical Education Credits

The University of Rochester Medical Center/Strong Memorial Hospital and Strong Health Affiliates is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The University of Rochester School of Medicine and Dentistry is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Rochester School of Medicine and Dentistry designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™ for the Obstetrics and Fetal Monitoring Course and a maximum of 1.25 AMA PRA Category 1 Credits™ for the Antepartum/Postpartum Course and Gynecology Course. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Check with your own state boards and/or certification organizations to ensure that these credits are accepted.
