Dear prospective applicant:

Thank you for your interest in our General Practice Residency (GPR) or Advanced Education in General Dentistry (AEGD) programs. Enclosed is an application packet and information, which describes training opportunities.

The General Dentistry programs of Rochester General Hospital (GPR), University of Rochester Eastman Department of Dentistry, Strong Memorial Hospital (GPR) and Eastman Dental Center (AEGD), have formed the Associated General Dentistry Training Programs of Rochester which provides a common application form, enabling candidates to apply to one or all of the programs and eliminate the duplication of support materials.

The stipend for 2009-2010 for the AEGD program at University of Rochester Eastman Dental Center and the GPR program at Strong Memorial Hospital is \$45,874 plus benefits. Rochester General Hospital GPR stipend is \$46,978 plus benefits.

The first section of the "Letter of Recommendation" form should be filled out by you and then sent to each referee listed on Page 4 of the application. If the referee prefers, personal letters are still welcome. Also, please have your dental school transcripts, undergraduate transcripts and, if available, National Board scores sent directly by the American Dental Association. Please send a C.V. if you have one.

The Associated General Dentistry Training Programs of Rochester participate in the National Matching Service and Postdoctoral Application Support Service (PASS). You may apply through PASS or use the enclosed application to apply to one or all three of the programs without using PASS.

Deadline for applications is October 15, 2009.

Thank you for your interest in the Associated General Dentistry Training Programs of Rochester. We look forward to receiving your application.

Sincerely,

Marilyn Foy, Executive Secretary  
*Associated General Dentistry*  
*Training Programs of Rochester*
