On or before the Prepayment Due Date stated above, the Participant will pay to the University an amount equal to the current tuition rate multiplied by the number of qualifying semesters as stated above. This amount is the "Total Prepaid Tuition". The University will accept, on or before the applicable date, the Total Prepaid Tuition as payment in full of the student's tuition in the School of Medicine for the qualifying semesters. If the student takes a long term or medical leave of absence, the Participant may request and receive a refund of the unused balance of the prepaid tuition, for future qualifying semesters, and thereby withdraw from the Plan. In the alternative, the Participant may elect to continue to participate in the Plan for leaves of absence that do not exceed one year, in which case the University will retain the unused balance. The Current Year Tuition will not apply to future semesters if the leave of absence exceeds one year.

5. **Withdrawal or Expulsion**

If the student withdraws permanently or is expelled from the University, the prepaid tuition for the semester during which such action occurs will be applied and, in certain cases, refunded in part, in accordance with the SMD general rules concerning tuition refunds.
