## ***FYI, in completing your FAFSA.....***

- ◆ The School of Medicine & Dentistry's code number is **G24601**.
  
- ◆ *This institution does not require parent data on the FAFSA.* Some schools do, however, because parent information is essential to determining eligibility for US Department of Health & Human Services funds (Health Professions Student Loans, Primary Care Loans, and aid for disadvantaged health professions students). We don't have this requirement because all students eligible for these funds at our institution also apply for University of Rochester financial aid and thus provide parent data via the Need Access process.
  
- ◆ If you include your e-mail address on your FAFSA, you'll receive an e-mail with a link to your online Student Aid Report (SAR) within 5 days. Otherwise you'll receive a paper SAR in the mail in about 2 weeks. If you don't hear anything within 2 weeks, return to [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and select "Check the Status of a Submitted FAFSA." The schools to which you submit data will receive it electronically. If corrections are necessary, they can be made either electronically through the school or via your SAR. Entering students should keep their SAR's until their choice of medical school is definite at which time they should follow the instructions of the FAO at that school. SMD does not require submission of the SAR (although we may request it if there's a problem with receipt of electronic data).
  
- ◆ If you choose to use FAFSA on the Web and encounter technical difficulty please call FAFSA on the Web Customer Service at 1-800-801-0576 or for help with a specific application question contact the Federal Student Aid Information Center at 1-800-4-FED-AID.
