C. Research Support: List selected ongoing or completed (during the last three years) research projects (federal and non-federal support). Begin with the projects that are most relevant to the research proposed in this application. Briefly indicate the overall goals of the projects and your role (e.g. PI, Co-Investigator, Consultant) in the research project. Do not list award amounts or percent effort in projects.

Ongoing Research Support:

R01 - 5U01CA116924-03 Fiscella , K. (PI) 9/01/05-8/30/10

NCI
RCT of Primary Care-Based Patient Navigation-Activation
This study is a randomized controlled trial of a patient navigation intervention for breast and colo-rectal cancer patients. This project is one of eight federally funded programs to empirically evaluate patient navigation.
Role: Patient Navigator Supervisor

Completed Projects:

5 D58 HP00407-03 Schultz, S. (PI) 7/1/03 – 6/30/06

HRSA
Residency Training in Primary Care
The major focus of this grant was to develop a curriculum in training family medicine resident physicians how to integrate cultural competence in the delivery of patient-centered healthcare.
Role: Project Manager, Psychosocial Faculty
