## An Invitation

Dear Friend of Highland Hospital,

The past year has been one of the most exciting and productive in Highland's long history. We have built a state-of-the-art Endoscopy Center, the largest and most modern of its kind in our area. We've created a beautiful Medical Oncology and Infusion Center to enhance our patients' comfort and privacy during treatment. The renovation and expansion of our Emergency Department, when complete later this year, will expand the number of emergency beds so urgently needed in our community. We look forward to other projects, such as expansion of our entrance and waiting area, that will improve our capacity to serve our patients and visitors. These and other capital investments improve access to vital health care services, and support our goal of delivering excellent care. The investment that our donors have made in Highland over the years has resulted in more than a larger, modernized facility. Donor contributions have strengthened Highland's ability to deliver the highest quality medical care. In the past year, we've built on our reputation for excellence, winning numerous national designations for Highland's joint replacement program, our surgical quality, intensive care, stroke care and much more. We thank our donors for their ongoing support; together, we are building health care our community needs now, and laying the foundation for generations to come.

Sincerely,

Golf Tournament Co-Chairs:

*Dana Consler*

*Doug Lyon*

*Bill Lanigan*

*Julie Odenbach*
