

The Peri-FACTS® Academy is pleased to announce the release of its new fetal monitoring textbook, *Fetal Heart Rate Monitoring: Pathophysiology and Practice.*

- Completely revised to update terminology and to include the most up-to-date information on maternal and fetal physiology and its use in interpretation of fetal assessment
- Now in color, making fetal heart rate tracings easier to see and interpret
- Review questions at the end of every chapter
- New clinical case studies to test your fetal heart rate interpretation skills.

Order using this form before February 28, 2013, and receive your copy for only \$70 (regular price will be \$78). Don't forget, Peri-FACTS participants always get 10% off all textbooks and videos when they order through our online store.
