How RAMP can help you

We have many dedicated, sensitive, and caring professionals on our team:

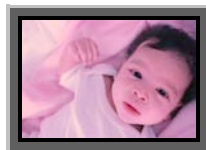

- Ⓢ midwives
- Ⓢ social workers
- Ⓢ doctors
- Ⓢ counselors
- Ⓢ nurses
- Ⓢ nutritionists

They're all here to help during your pregnancy and after your baby is born.

Through RAMP, you will receive medical care, learn about pregnancy, labor, and birth, and receive information about child care.

Ultrasounds are provided by a physician at Highland Hospital, and you will have your baby at Highland's Family Maternity Center. During labor and birth, you will receive excellent supportive care from one of our midwives. RAMP also provides individual and family counseling as needed. We also can help you continue with school or work while you are pregnant and after your baby is born.

Ramp services include:

- Ⓢ Pregnancy testing and counseling.
- Ⓢ Centering for Teens (GROUP prenatal care)
- Ⓢ Medical care for pregnancy.
- Ⓢ Teaching and information about:

- 📖 Pregnancy
- 📖 Nutrition
- 📖 Labor and birth
- 📖 Care of your new baby
- 📖 Birth control

- Ⓢ Social work services
- Ⓢ Information and referrals for:

- 📖 WIC
- 📖 Housing
- 📖 Legal services
- 📖 Medical care for your baby
- 📖 Financial help
- 📖 Dental care
- 📖 Health insurance
- 📖 Counseling
