

“Deaf Health Talk”

Sponsored by a Grant Provided by the Center for Community Health
In Collaboration with RRCD's **R.E.A.P**
DHCC is a Community Partner of the NCDHR

Topic: **“Memory Issues- Forgetfulness”**

Date: March 25, 2010

Time: 7:00-8:30 PM

Location: Rochester Recreation Club for the Deaf
1564 Lyell Avenue, Rochester, NY 14606

We will talk about memory issues and forgetfulness and how we can overcome this. We will talk about the common causes of memory loss.

Areas of discussion:

1. Types of memory loss- both short-term and long-term
2. How to tell the difference between the different causes of memory losses
3. Management of memory loss
4. How to help improve your memory

- There will be a question and answer time for you to ask both the doctor and deaf health educators!
- Healthy refreshments will be served.

Come and join the fun as you learn important points that can help you lead a healthier life!

“Deaf Health Talks” offers different health topics in American Sign Language. It will allow Deaf people to learn about health topics in ASL.

SAVE THE DATE! Next Deaf Health Talk: April 15
