

"Deaf Health Talk"

Sponsored by a Grant Provided by the Center for Community Health

Topic: **"Swine Flu and Common Infections to Prepare for"**

Date: October 13, 2009

Time: 6:00-7:30 PM

Location: Rochester Recreational Club for the Deaf
1564 Lyell Avenue, Rochester, NY 14606

We will talk about prevention strategies including vaccines as well as possible treatments. The talk will be provided in American Sign Language.

Areas of discussion:

1. Swine flu (H1N1)
2. Seasonal flu (influenza)
3. Other common infections seen during the Fall and Winter

- There will be a question and answer time for you to ask both the doctor and deaf health educators!
- Healthy refreshments will be served.

Come and join the fun as you learn important points that can help you lead a healthier life!

* Over the course of one year, "Deaf Health Talks" will offer different health topics in American Sign Language. It will allow Deaf people to learn about health topics in ASL.

SAVE THE DATE! Next Deaf Health Hot Talk: November 10.
