THE Peri-FACTS® ACADEMY

Lifelong Learning in Obstetrics

Peri-FACTS® TEXTBOOKS

Principles of Fetal Heart Rate Monitoring (Ed. 4) \$34.00

Our *Principles of Fetal Heart Rate Monitoring* textbook expands our awareness of the physiologic basis for fetal assessment. The initial chapters in this book focus upon physiologic adaptations of pregnancy and the basic physiology of oxygen delivery to the fetus. In subsequent chapters, different aspects of fetal assessment are reviewed. Each section is accompanied by numerous examples of basic fetal heart rate tracing interpretation. Other examples have been selected specifically for the adult learning seeking a more advanced level of interpretation in more complicated fetal heart rate strips.

Chapter topics include:

- Physiologic Adaptations to Pregnancy
- Fluid Dynamics in Pregnancy
- Fetal Oxygen and Acid-Base Metabolism
- Amniotic Fluid Volume
- Normal Tracings, Tachycardia, and Bradycardia
- Uterine Activity and Intrauterine Pressure Catheterization
- Early Decelerations
- Variable Decelerations
- Late Decelerations
- Sinusoidal and Pseudosinusoidal Fetal Heart Rate Patterns
- Accelerations, Nonstress Tests, and Vibroacoustic Stimulation
- Contraction Stress Test
- Biophysical Profile
- Doppler-Umbilical Artery Velocimetry

The Peri-FACTS Academy offers a variety of videos, DVDs, and educational courses.

2010 Year in Review \$34.00

Chapter topics include:

- Anatomy and Physiology of the Placenta
- Coagulation Disorders in Pregnancy
- Healthcare Biology
- Septic Shock
- Management of Obstetric Emergencies
- Heart Disease in Pregnancy
- Management of the 23 to 26 Week Premature Newborn
- Intrauterine Growth Restriction
- Psychosis and Domestic Violence
- Cancers in Pregnancy
- Postpartum Hemorrhage
- Immunizations and Pregnancy

2009 Year in Review \$34.00

Chapter topics include:

- Diagnosis and Management of Headaches
- Conflict Management among Care Providers and Between Care Providers and Patients
- Management of Diabetic Ketoacidosis in Pregnancy
- Newborn Seizures
- Cesarean Section: Does the Patient Have a Choice
- Induction of Labor
- Changing Trends in Instrument Deliveries
- Use and Abuse of Medical Documentation
- Thyroid Disease in Pregnancy
- Emerging Infections in Pregnancy
- Narcotic Abuse in Pregnancy
- Preeclampsia and HELLP Syndrome

2008 Year in Review \$32.00

Chapter topics include:

- Latex Allergies
- Smoking Cessation
- Methicillin-Resistant Staphylococcus Aureus
- Sudden/Unexpected Death in Obstetrics
- Effect of Environmental Exposures Upon Fertility and Fetal Development
- Cerebral Palsy: Etiology and Prevention
- Role of the Placenta in Fetal Oxygenation
- Cerclage
- Hyperemesis Gravidarum Hepatitis
- Fatty Liver Disease in Pregnancy
- Amniotic Fluid Embolism
- To Circ or Not to Circ: That is the Question

2007 Year in Review \$32.00

Chapter topics include:

- Neonatal Resuscitation Guidelines
- Intrauterine Growth Restriction
- HIV Update
- Twin-to-Twin Transfusion
- Healthcare Among the Disabled
- Malignant Hyperthermia
- ABO Incompatibility
- Postpartum Depression
- First-Trimester Screening
- Role of Interventional Radiology in Obstetric Hemorrhage
- Nutritional Needs for Pregnancy
- Prematurity
- Medical Malpractice Reform

2006 Year in Review \$32.00

Chapter topics include:

- Fetal Heart Rate Monitoring Update
- Systemic Lupus Erythematosus
- Communication When a Mistake is Made
- Pancreatitis
- Post-term Pregnancy
- The Impaired Healthcare Professional
- Sickle Cell Disease
- Gestational Hypertension
- Postpartum Complications
- Shoulder Dystocia
- Pulmonary Embolism
- Newborn Vaccinations and Testing
- Rh Factor and Isoimmunization

2005 Year in Review \$28.00

Chapter topics include:

- Pyelonephritis in Pregnancy
- Medical Record Documentation
- First-Trimester Genetic Screening
- Pregnancy and Pelvic Floor Disorders
- Anger Management
- Common Neurologic Disorders in Pregnancy
- Antepartum Pain Management of the Narcotic-Addicted Patient
- Patient Safety
- Diabetes Mellitus in Pregnancy
- Cardiomyopathy in Obstetrics
- Domestic Violence
- Newborn Thrombocytopenia
- Medical Malpractice: Preparation for Deposition
