

June 2010 Lab Services Outreach **“News You Can Use” Bulletin**

➤ **Last Chance to Participate in 2010 URM Labs Satisfaction Survey**

- The 2010 URM Labs Outreach Satisfaction Survey will end June 11th
- Practice Managers, Nurse Managers, Providers & Office Managers are eligible
- DOUBLE your CHANCES in our raffle by completing the survey on-line
- www.URMC-Labs.com “Click Here for Surveys on How We Can Serve You Better”

➤ **URM Labs Offers New Special Coagulation Profiles & Interpretation**

- Starting June 15th, new special coagulation profiles will be available
- Related tests will be grouped together based on disorder, then performed collectively on an algorithm pattern. Testing will be stopped once the abnormality is identified
- This will eliminate unnecessary testing and improve patient care
- Interpretations will be performed by special coagulation pathology residents, then reviewed & verified by the special coagulation medical director
- New requisitions will be available; individual special coag tests are still available
- Please visit: www.URMC-Labs.com ...Clinical Lab Services...News & Publications...Provider Notifications & Memos for details.

➤ **Signatures & Diagnosis Codes are Required on All Requisitions**

- Signatures are required for compliance and accountability
- Please provide all accurate and pertinent diagnoses
- These standards facilitate proper billing and reimbursement

➤ **HPV Testing on Liquid-Based Pap Tests: Did You Know?**

- URM Labs is the only area lab to perform ThinPrep HPV testing on-site
- You can receive Pap Smear & HPV Merged Reports
- HPV testing can usually be performed on the same sample that is submitted for a liquid-based ThinPrep Pap test
