Re: Forensic Urine Drug Testing Service Discontinued

Date: April 13, 2010

Dear Regional Toxicology Laboratory Customers,

The Regional Toxicology Laboratory (RTL) at Strong Memorial Hospital will be discontinuing its forensic chain-of-custody urine drug testing service. The last day RTL will accept test specimens will be Friday, June 11th. Specimens delivered after June 11th will be returned to the client.

There are many laboratories that carry the New York State Permit for Forensic Toxicology. Please follow the link to view a list of these laboratories.
