Re: Holiday Phlebotomy Service Changes
Date: 8/30/2011

We will now be offering **on-call STAT** phlebotomy service for 8 hours on holidays instead of one Patient Service Center being open for walk-ins for 3 hours.

Ordering physicians: call URM Labs Client Services @ 350-2600 to make arrangements.

On-call phlebotomy service will be available from 7:30am-3:30pm.
