Marriage and Family Therapists work with individuals, couples, and families.

Are you interested in learning about a career as a Family Therapist?

Our program prepares graduates for careers as MFTs in traditional practice settings.

In addition, our trainees leave with competencies in medical family therapy
and experience in integrated health care settings.

If you would like to learn more about how to obtain an MS in MFT from the University of Rochester, please come to our
INFORMATIONAL OPEN HOUSE!
