

**I PRO STATEMENT**

**HIGHLAND HOSPITAL**

NOTICE TO PHYSICIANS: Payment to hospitals for inpatient services is based, in part, on each patient's principal and secondary diagnosis and the major procedures performed on the patient, as attested to by the patient's attending physician by virtue of his/her signature on the physician's attestation sheet placed in the patient's file. Anyone who misrepresents, falsifies, or conceals this information may be subject to fine, imprisonment, or civil penalty under applicable New York State law.

NOTICE TO PHYSICIANS: Medicare/Champus payment to hospitals is based, in part, on each patient's principal and secondary diagnoses and the major procedures performed on the patient, as attested to by the patient's attending physician by virtue of his/her signature in the medical record. Anyone who misrepresents, falsifies, or conceals essential information required for payment or federal funds, may be subject to fine, imprisonment, or civil penalty under applicable federal law.
