

RADIOLOGY GRAND ROUNDS

“Posterior Fossa Abnormalities”

Presented by

Susan Blaser, M.D.

Associate Professor of Neuroradiology
Department of Diagnostic Imaging, The Hospital for Sick Children
Toronto, Ontario M5S 1A1 Canada

“Dr. Blaser graduated from the Medical College of Ohio at Toledo and served a pediatric internship prior to radiology residency training at the Cleveland Clinic. A neuroradiology fellowship at the University Hospitals of Case Western Reserve ensued and was followed by further fellowship training in pediatric neuroradiology at the Hospital for Sick Children in Toronto and University of Toronto, where she is now a staff neuroradiologist and associate professor. She lectures internationally on the topic of pediatric neuroradiology and has a particular interest in the fields of neuro metabolics and labyrinthine dysplasias. Dr. Blaser is a co-author of the [PocketRadiologist: Brain Top 100 Diagnoses](#), and is now the Lead-author for the newer [PocketRadiologist: PedsNeuro Top 100 Diagnoses](#).”
