Strong Star: Stephen D'Ambrosio, MD

Recognized By: _____ (Patient)

I came to Strong for a myelogram and was justifiably apprehensive. The people who took care of me were superb! Steve, Iris, Scott, Heather, Connie, Natalie and more were excellent in every way; caring, compassionate and, attentive. Thank you very much.

This dynamic duo recently performed a myelogram for me. Steve was very attentive to me during prep for the procedure as well as very professional through the entire process. They made the experience comfortable and enjoyable. They made me feel great.
