

Alpha Omega Alpha Student Essay Awards

- **Description:** The purpose of this award is to encourage medical students to address general topics in medicine and to enable Alpha Omega Alpha Honor Medical Society to recognize excellent and thoughtful student presentations in a tangible way. Students must write essays while they are in medical school, each entry must represent the work of one author only, and no more than one entry will be accepted from any individual.
- **Award:** Prizes are \$2000 first, \$750 second, \$500 third, and up to three honorable mention awards of \$250 each.
- **Deadline:** January 31, 2000
- **Contact:** Editor of The Pharos
525 Middlefield Road, Suite 130
Menlo Park, CA 94025
E-mail: m.celebi@alphaomegaalpha.org
Website: www.pharos.org

Alpha Omega Alpha Student Research Fellowship

- **Description:** The purpose of this fellowship is to stimulate interest in research among medical students. Areas of research may include clinical investigation, basic research, epidemiology, and social science/health service research. Because this program is designed to attract students without extensive research experience, those with Ph.D. degrees and those enrolled in MD/Ph.D. programs are not eligible.
- **Duration:** Summer (not specified)
- **Stipend:** \$3,000 to the student for support of the proposed research (one-half to be paid upon announcement of the award, the other half upon completion of the research) and \$500 to the faculty supervisor to meet expenses incurred in support of the student's project).
- **Deadline:** December 15, 1999
- **Contact:** AOA Honor Medical Society
525 Middlefield Road, Suite 130
Menlo Park, CA 94025
(650) 329-0291
E-mail: ckuckein@alphaomegaalpha.org

American Medical Student Association Foundation - The 1999 Political Leadership Institute

- **Description:** The Political Leadership Institute (PLI) focuses on teaching political and activist techniques within the context of public health and health policy issues. Participants will be assigned a public health topic on the first day of the workshop and will work as a team to produce sound bites, policy briefing papers, a speech, and a legislative strategy for that issue. Then, professionals and experienced activists will critique each portion of their brief and provide suggestions for improvement during small-group workshops.
- **Duration:** December 2 - 5, 1999
- **Stipend:** Not specified
- **Deadline:** November 12, 1999
- **Contact:** AMSA's Legislative Affairs Director
American Medical Student Association
1902 Association Drive
Reston, VA 22091
(703) 620-6600, ext. 211
E-mail: LAD@www.amsa.org

The Arnold P. Gold Foundation

- **Description:** To provide the opportunity for students to become more humane, compassionate physicians. The student is expected to work full time with a mentor on a project that has the potential to be on-going. We request that the student submit a one to two page summary proposal, which has been pre-approved by both the mentor and the Dean's office. A final report is due at the conclusion of the ten weeks. The first half of the grant funds are sent upon acceptance of the student's proposal, and the balance is sent upon receipt of the student's final report.
- **Duration:** 10 weeks
- **Stipend:** \$2,400
- **Deadline:** Not specified
- **Contact:** Appointed UR Advisory Dean

Harvard Medical School - Summer Research Internships in Mental Health and Developmental Disabilities (MH/DD)

- **Description:** Developmental programs in Psychiatry, General Pediatrics and Institute for Community Inclusion (University Affiliated Program) at the Children's Hospital and the Neurodevelopmental Research Lab at the Eunice Kennedy Shriver Center, Waltham invite applications for Summer Research Internships in Mental Health and Developmental Disabilities (MH/DD).
- **Duration:** June 19-August 10, 2000
- **Stipend:** \$4,500
- **Deadline:** March 10, 2000
- **Contact:** Kerim M. Munir, MD, DSC
MH/DD Program Director

Memorial Sloan Kettering Cancer Center - Summer Student Fellowship Program

- **Description:** MSK announces its 2000 program in order to encourage interest in the field of oncology. Twenty-five fellowships are available for the summer of 2000. Applicants may choose from a list of proposed projects from MSK physicians.
- **Duration:** 8 weeks (between June and August)
- **Stipend:** \$2,000
- **Deadline:** March 24 2000
- **Contact:** Jill Lalli
Medical Student Coordinator, Division of Education Box 187
Summer Fellowship Program
Memorial Sloan Kettering Cancer Center
1275 York Avenue
New York, NY 10021

National Institutes of Health - Minority Recruitment Training Program

- **Description:** This program supports a series of special initiatives designed to have a broad but integrated influence on reducing the burden of drug abuse among minorities and other traditionally underrepresented populations.
- **Duration:** Not specified
- **Stipend:** \$1,600
- **Deadline:** April 1, 2000
- **Contact:** Jean Lud Cadet, MD
MRTTP Summer Program
Molecular Neuropsychiatry Section
5500 Nathan Shock Drive
Baltimore, MD 21224
(410) 550-1562

National Medical Fellowships - Arthur Ashe Program in AIDS Care

- **Description:** This program fosters the participation of medical students from traditionally underrepresented groups in HIV/AIDS clinical care and research. This program, a joint initiative of NMF and the Harvard AIDS Institute is a response to the severity of the AIDS epidemic in poor and underserved communities. This program also seeks to provide students with a means of obtaining essential clinical skills, for such knowledge can often mean the difference between life and death for their patients.
- **Duration:** 4 weeks
- **Stipend:** \$6,000
- **Deadline:** March 26, 2000
- **Contact:** Maritza Myers, Vice President
