

Curriculum Vitae

Personal Information

Jeffrey Adam Gusenoff, MD

Work Address: 601 Elmwood Avenue
Box 661
Rochester, NY 14642
585-275-1000

Fax: 585-276-1985

jgusenoff@yahoo.com; jeffrey_gusenoff@urmc.rochester.edu

Date of Birth: October 20, 1976

Place of Birth: Boston, MA

Citizenship: USA

Education

The Johns Hopkins University School of Medicine, Baltimore, Maryland

Doctor of Medicine, May 2002

The Johns Hopkins University, Baltimore, Maryland

Pre-Medicine, Biology Major
Bachelor of Arts, May 1998

Postdoctoral Training

University of Pittsburgh

Fellowship in Body Contouring and Life After Massive Weight Loss Surgery
July 2007 – June 2008

University of Rochester School of Medicine and Dentistry

Strong Memorial Hospital
Resident in Plastic Surgery
July 1, 2005 – June 30, 2007

University of Rochester School of Medicine and Dentistry

Strong Memorial Hospital
Resident in General Surgery
June 26, 2002 – June 25, 2005

Licensure

Pennsylvania

Unrestricted medical license #MD430338

New York

Unrestricted medical license #249709

Faculty Appointments

University of Rochester

Assistant Professor of Surgery
Division of Plastic Surgery
Director, Life After Weight Loss Program
July 1, 2008 - Present

University of Pittsburgh

Clinical Instructor in Surgery in the School of Medicine, Dept. of Surgery
July 1, 2007 – June 30, 2008

Local and State Community Service Organizations

Regional Alumni Representative to The Johns Hopkins University 2002-present
Conduct regional interviews and attend local college fairs

Honors and Awards

The Joseph M. Serletti, M.D. Resident Award for excellence in academic plastic surgery
June 16, 2007

The Joseph M. Serletti, M.D. Resident Award for excellence in academic plastic surgery
June 17, 2006

The Paul Ehrlich Research Prize, The Johns Hopkins School of Medicine
Young Investigator's Day Award 2000

John A. Hartford/AFAR (American Federation for Aging Research)
Medical Student Scholarship 1999

Howard Hughes Medical Institutes Summer Fellowship Award
1997, 1996

Provost's Undergraduate Research Award
1997

Grants

PSEF National Endowment Grant
Postbariatric Outcomes Subject Tracking (POST) Study
Co-Investigator (PI J. Peter Rubin, MD)
2008-2010 \$50,000

Presentations at Major National or International Professional Meetings

1. Gusenoff, J.A., S.M. Harman, E. Cottrell, K.G. O'Connor, J. Tobin, T. Roy, J. Jayme, C. St. Clair and M.R. Blackman. The relationships among cortisol secretion, lean body mass, strength and age differ in healthy elderly women and men; presented orally at the 49th Annual Meeting of the Gerontology Society, Washington, DC, Nov. 17-21, 1996.

2. Gusenoff, J.A., S.M. Harman, E. Cottrell, K.G. O'Connor, J. Tobin, T. Roy, J. Jayme, C. St. Clair and M.R. Blackman. Nocturnal cortisol secretion is inversely related to muscle strength in healthy elderly women, and not men; presented as a poster at the Johns Hopkins Department of Medicine Research Retreat, 1997.
3. Gusenoff, J.A., S.M Harman, J.D. Veldhuis, J.J. Jayme, C. St. Clair, T. Munzer, C. Christmas, K.G. O'Connor, T.E. Stevens, M.F. Bellantoni, K. Pabst, and M.R. Blackman. Cortisol and GH secretory dynamics, and their inter-relationships, in healthy aged women and men; selected for the Presidential Poster Session of the American Geriatrics Society 2000 Annual Scientific Meeting, Nashville, TN, May 17-21.
4. Gusenoff, J.A., S.J. Vega, S. Jiang, A.B. Behnam, H. Sbitany, H.R. Herrera, A. Smith, and J.M. Serletti. Free tissue transfer: Comparison of outcomes between university hospitals and community hospitals; paper presentation at the 20th Anniversary Meeting of the Northeastern Society of Plastic Surgeons, Baltimore, MD, Oct. 2-4.
5. Gusenoff, J.A., S.J. Vega, S. Jiang, A.B. Behnam, H. Sbitany, H.R. Herrera, A. Smith, and J.M. Serletti. Free tissue transfer: Comparison of outcomes between university hospitals and community hospitals; paper presentation at the Plastic Surgery 2003, ASPS, San Diego, CA, Oct. 25-29.
6. Gusenoff, J.A., S.J. Vega, S. Jiang, A.B. Behnam, H. Sbitany, H.R. Herrera, A. Smith, and J.M. Serletti. Free tissue transfer: Comparison of outcomes between university hospitals and community hospitals; paper presentation at the American Society for Reconstructive Microsurgery 2004 Annual Meeting, Palm Springs, CA, Jan. 17-20.
7. Fox, I.K., D. Masden, J.A. Gusenoff, J.A. Giroto, and A.W. Smith. Anterolateral thigh free flap in head and neck reconstruction of the very elderly; presented at the Northeastern Society of Plastic Surgery, November 2005.
8. Gusenoff, J.A., W. O'Malley, and H. N. Langstein. Socioeconomic factors influencing the decision to have body contouring after gastric bypass surgery; paper presentation at the 2007 Senior Resident Conference, Pasadena, CA, February 1, 2007.
9. Gusenoff, J.A., S. Messing, W. O'Malley, and H. N. Langstein. Patterns of plastic surgical use after gastric bypass: who can afford it and who will return for more; 40th Annual Meeting of the American Society For Aesthetic Plastic Surgery, New York, NY, 2007.
10. Gusenoff, J.A. R.P. Pennino, S. Messing, W.E. O'Malley, T.J. Boss, and H.N. Langstein. Post-bariatric reconstruction: patient myths, perceptions, cost, and attainability strategies; American Society of Plastic Surgeons, Baltimore, MD 2007.
11. Gusenoff, J.A., D. Coon, J. P. Rubin. Brachioplasty and concomitant procedures after massive weight loss: A prospective statistical analysis. Plastic Surgery Research Council, May 30, 2008, Springfield, IL.
12. Gusenoff, J.A., D. Coon, C. De La Cruz, J. P. Rubin. Superficial inferior epigastric vessels after massive weight loss: implications in breast reconstruction. Accepted for Paper Presentation at the Northeastern Society of Plastic Surgeons, Philadelphia, PA, Oct. 2008.
13. D. Coon, J.A. Gusenoff, J. P. Rubin. Body mass in body contouring complications. Accepted for Paper Presentation at the Northeastern Society of Plastic Surgeons, Philadelphia, PA, Oct. 2008.

14. D. Coon, J.A. Gusenoff, J. P. Rubin. Multiple procedures and staging in the massive weight loss population. Accepted for Paper Presentation at the Northeastern Society of Plastic Surgeons, Philadelphia, PA, Oct. 2008.
15. Gusenoff, J.A., D. Coon, J. P. Rubin. Dermal suspension, parenchymal reshaping mastopexy after massive weight loss: statistical analysis with concomitant procedures from a prospective registry. Accepted for Presentation at the American Society of Plastic Surgeons Annual Meeting, Chicago, IL, November 2008.
16. D. Coon, J.A. Gusenoff, J. P. Rubin. Body mass in body contouring complications. Accepted for Presentation at the American Society of Plastic Surgeons Annual Meeting, Chicago, IL, November 2008.
17. T. Chong, A. Song, I. Valerio, J.A. Gusenoff, D. Coon, J. P. Rubin. Gender Dependent Outcomes in Body Contouring Surgery. Accepted for Presentation at the American Society of Plastic Surgeons Annual Meeting, Chicago, IL, November 2008.

Publications

1. Gusenoff, J.A., S.M Harman, J.D. Veldhuis, J.J. Jayme, C. St. Clair, T. Munzer, C. Christmas, K.G. O'Connor, T.E. Stevens, M.F. Bellantoni, K. Pabst, and M.R. Blackman. 13. Gusenoff, J.A., D. Coon, C. De La Cruz, J. P. Rubin. Superficial inferior epigastric vessels after massive weight loss: implications in breast reconstruction. *Plast Reconstr Surg*, Submitted for review.
14. Gusenoff, J.A., D. Coon, J.P. Rubin. Implications of weight loss method in body contouring outcomes. *Plast Reconstr Surg*. Submitted for review.

Abstracts

1. Stevens, T. E., S.M. Harman, W.A. Adler, R.S. Pyle, C. St. Clair, J. Gusenoff, and M.R. Blackman. The inter-relationships between spontaneous nocturnal cortisol secretion and peripheral lymphocyte number and function differ in healthy elderly women and men; presented at the Annual Meeting of the American Geriatrics Society, Chicago, IL, May 2-5, 1996.
2. Jayme, J., S.M. Harman, K.G. O'Connor, C. St. Clair, J. Gusenoff, J.D. Tobin, T.A. Roy, E.P. Shapiro, P.S. Hees, and M.R. Blackman. The negative relationship between cortisol and GH secretion with body fat in healthy elderly persons are gender-distinct; presented at the 10th International Congress of Endocrinology, San Francisco, CA, June 12-15, 1996.
3. Jayme, J., S.M. Harman, K.G. O'Connor, J.D. Tobin, T.A. Roy, C. St. Clair, J. Gusenoff, and M.R. Blackman. The inverse relationship between cortisol secretion and bone mineral density in healthy elderly persons is related to gender and body composition; presented at the 18th Annual Meeting of the American Society for Bone and Metabolism Research, Seattle, WA, Sept. 7-11, 1996.
4. Gusenoff, J.A., S.M. Harman, E. Cottrell, K.G. O'Connor, J. Tobin, T. Roy, J. Jayme, C. St. Clair and M.R. Blackman. The relationships among cortisol secretion, lean body mass, strength and age differ in healthy elderly women and men; presented at the 49th Annual Meeting of the Gerontology Society, Washington, DC, Nov. 17-21, 1996.
5. Jayme, J.J., J.D. Veldhuis, S.M. Harman, M.F. Bellantoni, C. Christmas, K.G. O'Connor, T. Stevens, C. St. Clair, J. Gusenoff, K. Pabst, and M.R. Blackman. GH and cortisol secretory dynamics, and their inter-relationships, differ in healthy elderly women versus men; presented at the 79th Annual Meeting of the Endocrine Society, Minneapolis, MN, June 11-14, 1997.
6. Gusenoff, J.A., S.M Harman, J.D. Veldhuis, J.J. Jayme, C. St. Clair, T. Munzer, C. Christmas, K.G. O'Connor, T.E. Stevens, M.F. Bellantoni, K. Pabst, and M.R. Blackman. Cortisol and GH

secretory dynamics, and their inter-relationships, in healthy aged women and men; presented at the American Geriatrics Society 2000 Annual Scientific Meeting, Nashville, TN, May 17-21, 2000.

7. Fox, I., D. Marsdan, J. Gusenoff, J. Girotto, and A. Smith. Anterolateral thigh flap in head and neck reconstruction of the very elderly. *J Reconstr Microsurg.* 22, 2006.
