RE: Per Diem Rates FY17-18 through FY21-22

DATE: April 21, 2017

The 2017-2018 per diem rates are listed below. There are no changes from the projected rates published last year. The Dean's office continues to subsidize our animal operations \$400,000 annually and 100% of our veterinary consulting services for the School of Medicine and Dentistry researchers.

For your budgeting purposes, all costs centers' per diems will increase as described below through 2022 unless we realize cost savings to pass on to you. Please contact me at X5-2651 or [jeff\\_wyatt@urmc.rochester.edu](mailto:jeff_wyatt@urmc.rochester.edu) for more information about how we calculate per diem rates as well as how we compare with our sister institutions.
