

MEDICINE *of* THE HIGHEST ORDER

Wilmot Cancer Institute Advanced Practice Provider Fellowship Program Application 2022-2023 Cohort

About UR Medicine

- University of Rochester Medicine’s Wilmot Cancer Institute (WCI) features an 87-bed cancer center with 11 outpatient locations throughout the Rochester and Finger Lakes region
- NP/PA will work with faculty with a wide variety of expertise in Cancer Care. NP/PA Fellows will be on the cutting edge of health care delivery as they train to work within the University of Rochester Medical Center, WCI.

Goal of the Fellowship Program

- It is anticipated that the fellows will show clinical growth, improved clinical confidence, and increased preparedness to care for patients in all of these settings, by the completion of the fellowship.
- Our post graduate NP/PA Fellowship will provide additional skills training, as well as independent mentorship experience in the Cancer Institute for the duration of 12 months.
- This will be an intensive clinical program which will prepare NPs and PAs to meet the needs of culturally diverse and clinically complex patients that are typical of the Cancer Institute.
- Fellows will be employees of URMC and will comply with all patient care policies.

Training Methods

- Hands on training in the following areas:
 - Ambulatory
 - Gastrointestinal
 - Genitourinary
 - Thoracic
 - Head and Neck
 - Breast
 - Leukemia
 - Lymphoma
