

## ASH MEMBERSHIP INFORMATION

---

ASH membership is available to professionals who have undertaken and accomplished meritorious original scientific investigation in the field of hypertension and related cardiovascular diseases. Membership is also available to health care clinicians involved in the diagnosis and treatment of hypertension and related cardio-renal consequences, including obesity and diabetes. Individuals with a demonstrated serious interest in hypertension as a disease entity are also eligible for membership in the Society.

**Regular Members:** The following individuals may join the Society as Regular Members. The annual dues for Regular Members are \$300.00.

- Physicians, PhDs, or equivalents, PharmDs who have undertaken scientific investigation in hypertension and related cardiovascular diseases
- Physicians, PhDs, or equivalents, PharmDs who are involved in the diagnosis, prevention, and treatment of hypertension and related cardiovascular diseases
- Physician Assistants and Nurse Practitioners who treat hypertension patients or have a scientific interest in hypertension and related cardiovascular diseases

**Associate Members:** Registered Nurses and others who treat hypertension patients or have a scientific interest in hypertension and related cardiovascular diseases join the Society as Associate Members. The annual dues for U.S. Associate Members are \$125.00.

**Members-In-Training:** Residents, Fellows and Graduate Students - anywhere in the world - currently training in studies related to hypertension or related cardiovascular diseases. The annual dues for Members-In-Training are \$75.00.

**Individual Corporate Members:** Corporations may become Corporate Members of the Society. Individuals within a corporation who do not fall into other categories above may join the Society as individual Corporate Members. The annual dues for Individual Corporate Members are \$100.00.

**Lay Members:** Individuals who have an interest in hypertension and related cardiovascular diseases. The annual dues for Lay Members are \$35.00.

**Emeritus Members:** Individuals who have been Members of the Society for at least five (5) consecutive years and have retired from practice may apply for emeritus status.
