New This Month – August Curriculum

Obstetrics Topic – **Newborn Issues** focusing on:

- Evaluation of the Neonate at Risk for Sepsis
- Managing Neonatal Heat Control

Women's Health Topic: **The Psychological Impact of Breast Cancer**

Video Topic: **Oxygen Transfer in the Placenta**

Clinical Quandary Topic: **Marijuana Use While Breastfeeding**

A PAUSE for menopause: I am 57 years old. My doctor said that I don't need PAP smears every year and after I am 65 years old I may not need one ever again. Is this a recent change?

Grand Rounds Web-lecture: **Transitions from Planned Home Birth to Hospital**
