

Current. Comprehensive. Continuing Education Online.

Our August newsletter is dedicated to **Women's Health**

Our NEW newsletter format will feature important industry news, periFACTS® programs and books, and a sneak peek to what's new this month for our monthly subscribers!

In The News

[Pandemic Deepens Cancer's Stress And Tough Choices](#)

The coronavirus pandemic is particularly difficult for people with cancer, many of whom must go to hospitals for treatment, have lost their jobs and employer-sponsored health insurance and have lost access to social supports.

NPR (08/2020)

[COVID-19 Causing More Stress in America Than Other Nations: Survey](#)

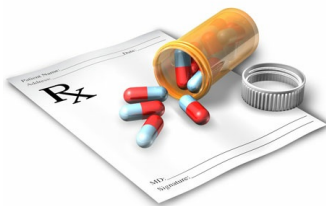

Americans are faring much worse mentally and financially during the COVID-19 pandemic than citizens of other high-income countries around the world, according to an international analysis. HealthDay (08/2020)

[Study links Obesity to Social Ties in Older Women](#)

Older women who lack social ties, or are single, widowed, divorced, or separated have a greater likelihood of being obese.

ANI (08/2020)

Store Feature

**Pain Management is an issue facing all
Women's Healthcare Providers.
We recognize the need for education and
are proud to offer a nine-course series on
Pain Management in Women's Health.**

Our nine-course series covers:

- Anatomy and Physiology of Pain
- Biology of Addiction
- Nursing Pain Assessment and Interventions
- Postoperative Pain Management
- Monitoring for Opioid-Induced Respiratory Depression
- Neuraxial Anesthesia for Managing the Pain of Labor
- Medicinal and Recreational Marijuana Use in Women's Health
- Prescription Drug Abuse in Pregnancy (including Opioids)
- Chronic Pain Management

The Essentials of Pain Management series includes access to all nine courses for one year, and is eligible for 26 CNE Contact Hours, including 22 Pharmacology Hours.

NOW 50% OFF! During the month of August, purchase this series for only \$100 per person! Reg. Price: \$200. Now: \$100.
