WHAT'S NEW

We are excited to announce that starting this month, we will be offering a menopause Clinical Quandary inside each new monthly curriculum! Based on the success of our Clinical Quandary, we are proud to now offer an anonymous menopause Q&A column for our participants!

NEW THIS MONTH

NOW FEATURING: **Booster
question**

Obstetrics Topic: Coagulation Issues in Pregnancy

Course 1: Deep Vein Thrombosis Management in Pregnancy

Course 2: Von Willebrand Disease in Pregnancy

Women's Health Topic: Thromboembolism and Thrombophilia
