Jason M. Rotoli, MD

Assistant Professor of Emergency Medicine
University of Rochester School of Medicine and Dentistry

Lori A. DeWindt, MA

Therapist, Deaf Wellness Center
Research Coordinator, National Center for Deaf Health Research
University of Rochester Medical Center

This activity is designed to help the audience recognize and understand the barriers that exist when providing care to culturally Deaf patients. It is intended to help recognize and develop strategies for overcoming these barriers in order to deliver appropriate care to the Deaf ASL user. It will also provide some information on applying the same concepts while caring for people with different ethnic, cultural, educational and socioeconomic backgrounds.

All faculty, fellows, residents, students and staff are welcome!
