Why yes! It’s true!
We’re having a party for
Sim Thing 1 and Sim Thing 2!

You could not, would not, want to miss
A celebration as special as this.

Names to be chosen, scenario demonstration on cue.
You can even try the Sim Things and see what they do!

We will gather in CEL (2-7520). May 16th is the date.
The party is from 3pm-5pm, you don’t want to be late!

One small request that is sure to make us smile,
please bring a board book to share with a hospitalized child!
