Tenure-Track/Tenured Faculty Position
School of Medicine & Dentistry at the University of Rochester

The Center for Oral Biology in the Eastman Institute for Oral Health invites applications for a faculty position at the Assistant, Associate or Full Professor level. Successful applicants should have a PhD, MD, DDS, or combined degrees, and demonstrated ability to conduct a state-of-the-art research program to investigate an area of science relevant to human disease/ oral biology. We are interested in all areas of contemporary biomedical science, including but not limited to: Developmental and Cell Biology, Genetics and Epigenetics, Stem Cell Biology, Regenerative and Reparative Medicine, Pain, and Cancer Biology. Preference will be given to applications that complement ongoing programs or bring novel expertise and research perspectives. Individuals seeking an appointment must have a demonstrated record of extramural funding. The Center of Oral Biology is located in the state-of-the-art Arthur Kornberg Medical Research Building at the University of Rochester School of Medicine and Dentistry. Faculty members in the Center carry joint appointments in appropriate academic departments and participate in graduate student training in several graduate programs in the University of Rochester. More information about the Center and available positions can be found on the internet (<http://www.urmc.rochester.edu/center-oral-biology/>). For further details and to apply online, please go to: <http://www.rochester.edu/working/hr/jobs/> (Job ID #187991). Please provide your curriculum vitae, statement of current and future research interests, and names and addresses of at least three references. The University of Rochester is an Equal Opportunity Employer. Women and minorities are encouraged to apply.
