GOLISANO
CHILDREN'S HOSPITAL

Department of Pediatrics
Division of Allergy & Immunology

Are you PREGNANT and have a Family History of Allergies?

You may qualify for our study if:

- You are 18 years or older and pregnant
- Anyone in your family has hay fever, food allergies, asthma or eczema

This is a study for mothers and their children.

- You will complete questionnaires & donate samples (stool, saliva, etc.)
- You will be paid for your time and for each donated sample

Principal Investigator: Kirsi Järvinen-Seppo
Study Sponsor: National Institutes of Health

Allergic Diseases are on the increase!
We want to know why
and how to prevent them!
