

# Child Life Internship

Fall 2023

## Program Overview

Golisano Children's Hospital is an accredited ACLP internship site that offers a comprehensive program that assists the intern in developing essential qualities, knowledge and skills necessary to become a certified child life specialist. We currently offer a Child Life internship program that consists of 600 hours over the course of 15 weeks. We provide Fall and Winter/Spring internships at this time. We accept all completed common applications however, we do not enter into affiliations with other institutions.

## Requirements for Application

- Completed a 100 hour practicum in a hospital setting under a certified Child Life Specialist or the practicum in progress form (proof of passing completion is required).
- Completed 100 hours of fieldwork or volunteer experience with well children.
- Currently working toward a degree in Child Life or related field.

## Application Process

Each application must include the following materials:

Common Child Life Internship Application  
([www.childlife.org](http://www.childlife.org))

Applications may be mailed to:

Mallory Mariano, CCLS  
UR Medicine's Golisano Children's Hospital  
Child Life Department [Box 619-11]
