Project SEARCH®:

- Provides training and education leading to competitive employment.
- Is based in the host business, The City of Rochester.
- Combines employability skills instruction with internship training.
- Enables students to participate in up to three different internship placements.
- Provides support and accommodations needed for success at the internship sites.
- Assists with the job search, including completing applications, follow up phone calls and interviewing.

A Typical Day:

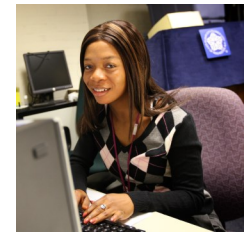

7:45 am	Students arrive to classroom in City Hall
7:45-8:45 am	Classroom Instruction
8:45 am	Students depart for internships
9:00 am - 1:30 pm	Students at internship sites Lunch at internship
1:40-2:10 pm	Classroom Instruction
2:10 pm	Dismissal

About the Internships:

The training site placements are the cornerstone of the Project SEARCH® program:

- About 4 hours per day
- 10-12 weeks per placement
- 2-3 placements per student per school year
- Focus on marketable skills (including work and social skills)
- Constant feedback and assessment

Internship Sites Include:

- Verona Street Animal Shelter
- Water Bureau
- Neighborhood Service Centers
- Information Technology
- Human Resources
- Local History and Genealogy
- David Gantt Recreation Center
- Building Services
- Fleet Services
- Central Library
- Downtown Enhancement
- And More!
