

Intake Paperwork Cover Sheet

Thank you for your request to have your child evaluated at Developmental and Behavioral Pediatrics.

In order to determine if this is the most appropriate place for your child's evaluation, we need to gather some important information.

The following forms are enclosed:

- Parent Questionnaire - This is your opportunity to tell us about your child and your concerns.
- Preschool/Early Intervention Questionnaire or Educational Questionnaire - This form should be completed by your child's teacher, therapist, or school counselor.
- Uniform Referral Form - This form should be completed by your child's pediatrician, primary physician, or the referring provider. **If your child's doctor has already sent us this information, this form is not necessary.**

We also need copies of the following:

- Your child's most recent EI, preschool, or school testing
- Your child's IFSP or IEP

Please return all forms and paperwork together.

If you have questions about obtaining the EI or school evaluation, please check our website (www.golisano.urmc.edu/dbp) or call (585) 275-2986 and ask to speak with one of our social workers.

After we receive your completed packet, our Intake team will review the paperwork and call you to schedule an appointment or discuss other options for your child. Please be sure to include all telephone numbers where we can reach you during the day.
