Knighthawks Give Back to Local Charities

The Rochester Knighthawks are pleased to announce the **Third Annual Knighthawks Give Back** charitable fundraising event. For one game during the 2015 season, all local non-profit organizations are able to take part in this fundraising opportunity. Processing of tickets for the applicable game will be done by the Knighthawks. The purchaser just needs to mention the organization name when making the ticket purchase.

Why: The Rochester Knighthawks want to help local charities raise funds and awareness for their cause while allowing ticket holders to enjoy a fun night out watching the back-to-back-to-back NLL Champions. **Last year the winner of the competition was the Boys and Girls Club of Rochester, raising over \$6,000!**

When: April 4th 2015 vs. Minnesota Swarm at 7:30 PM

What: The Rochester Knighthawks will sell Knighthawks tickets for \$15 each (regularly priced at \$30) with \$5 from each sale going back to the organization. **The organization that raises the most money through the sale of Knighthawks tickets will have the amount matched by the Rochester Knighthawks Charitable Foundation.**

How: Ticket orders can be taken over the phone or made in person by contacting Derek Anderson at the Rochester Knighthawks office. Ticket orders can be placed via the web using this link: <https://www.formstack.com/forms/knighthawks-give-back>

Feel free to use this for a promotional email campaign. Consignment tickets will also be available directly to organizations.

The Knighthawks thank you for your support of the back-to-back-to-back NLL Champions and the Rochester community. For further information on the program, please contact Derek Anderson at (585) 454-4295, ext. 3042.
