

14th Annual Ski Invitational

to benefit Golisano Children's Hospital

Monday, February 08, 2016
Place: Bristol Mountain

The Ski Invitational is a wonderful opportunity for consultants, contractors & suppliers to the University of Rochester to enjoy a day of fun. Last year's Ski Invitational raised over \$82,000 for Golisano Children's Hospital. Sponsors are once again needed to accomplish the mission of supporting our region's only Children's Hospital, and reaching our goal of \$85,000. The day begins at 9 am & includes continental breakfast, ski pass, rentals & lessons (if needed) and Paul's Picnic.

Special Thanks to our 2016 Platinum Sponsors:
