

## Holiday Wish List for Hospitalized Children

Thank you for your interest in helping our patients during the holiday season.

Golisano Children's Hospital requests gifts for the children that are in the hospital this holiday season. We use remaining gifts to support the needs of the children and playrooms throughout the year. We appreciate the support from our community to make this possible.

- We are only able to accept NEW items on this list.
- Please keep the size of the toy small so it can be played with in the patient's room
- In order to respect the wide range of beliefs of our families, we are not able to accept religious or holiday items.
