

Become a Volunteer Health Advisor

A special invitation to volunteer

Do you care about health and wellness of your community?

Would you enjoy speaking to people about cancer screenings and good health?

We are recruiting volunteers (age 18 and over) to conduct outreach activities for the Cancer Services Program of Monroe County (CSP-MC).

CSP-MC promotes healthy living and recommends regular screenings for breast, cervical, and colorectal cancer. The program pays for these screenings for men and women with little or no health insurance.

Cancer doesn't care. We do.

Attend our one-time training session to join the team – **screenings save lives!**

Cancer Services Program of Monroe County **Volunteer Health Advisor Training Session**

Tuesday, May 15, 2018

5:30 to 7 p.m.

Center for Community Health & Prevention
46 Prince Street, Rochester, NY
