Got Health?

Free talks to help you get and stay healthy

Just the One: Why the Holidays Can Trigger Alcohol Use Disorder & How to Stay in Control

Join us for this talk on the Center for Community Health & Prevention's [Facebook page](#) to hear more about the important role Strong Recovery's Peer Team plays in guiding patients with alcohol use disorder on their journey to recovery. Find out why the holidays can be a difficult time, learn coping strategies from the team and discover the importance of their shared experience in developing patient relationships.

Date: Thursday, December 14

Time: Anytime after 11 a.m.

Presenters: Reed Wojick, CRPA, CEDRC, CASAC-T; Abigail Walker, CRPA; Carrie Lefler, BS, Advanced CASAC; Strong Recovery staff, URM
