Got Health?

Free talks to help you get and stay healthy

Improving the Health of Black Moms and Babies

Join us for this talk on the Center for Community Health & Prevention's [Facebook page](#). Learn about the health disparities Black moms and their babies face and what Healthy Baby Network is doing to prioritize Black maternal health.

This talk is in observance of Minority Health Month.

Date: Thursday, April 18

Time: Anytime after 11 a.m.

Presenter: Sherita Bullock, executive director of the Healthy Baby Network
