Got Health?

Free talks to help you get and stay healthy

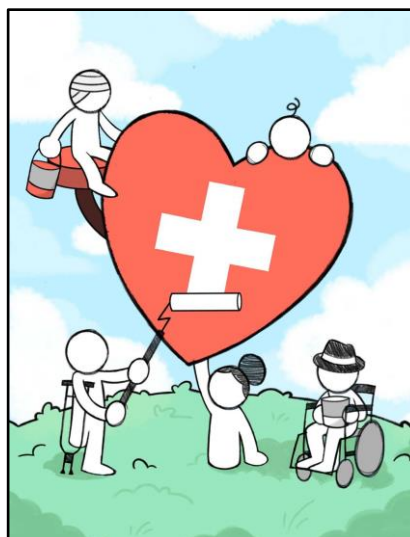

Let's Do It Together: Ensuring Equity, Diversity & Inclusion in Health Research

Join us for this talk on the Center for Community Health & Prevention's [Facebook page](#). Learn more about the challenges faced in health research, with a focus on the barriers to enlisting underrepresented groups and ways to improve inclusion of these communities in the future.

Date: Thursday, April 20

Time: Anytime after 11 a.m.

Presenter: Edith M. Williams, PhD, MS, Founding Director for the Office of Health Equity Research (OHER), UR CTSI, and Dean's Associate Professor of Health Equity Research, Department of Public Health Sciences and AIR, URM

Left: Winning entry in OHER art contest by School of the Arts student Righteous Buggs, entitled "Let's do it together"
