Got Health?

Free talks to help you get and stay healthy

Getting Right to the Heart of the Matter

Join us for this talk on the Center for Community Health & Prevention's [Facebook page](#) to learn more about heart disease. Learn different types of heart disease, how they are diagnosed, the risk factors for these conditions and how forming healthier lifestyle habits can help lower your heart disease risk.

Please tune in at:

<https://www.facebook.com/pg/CenterForCommunityHealthandPrevention.URMC/videos/>

Date: Thursday, February 17

Time: Anytime after 11 a.m.

Presenter: Jean Lee, MD, MPH,
Preventive Medicine Resident, URM

This Got Health? talk is sponsored by the Center for Community Health & Prevention in partnership with the Central Library of Rochester and Monroe County.
