Rohsennase Dalton LaBarge

(Kanienehaka, Bear Clan) URSMD '23

Thursday, December 2, 2021

6:00pm – 7:30pm

Zoom Webinar

This presentation will cover leading health inequities, causes of death, health workforce and other challenges while working in Tribal communities. We plan to address some cultural norms, unique communication styles, and public health challenges, as well as, provide some current demographic population information. In addition, the discussion will include tribal life experiences, cultural issues, barriers, and how to successfully build tribal relationships.

Pre-registration for this session is required using the link below:
