Confirmation of a Positive Home COVID Test

- It is not necessary to confirm a positive rapid COVID test.

- Unless you are ill and need medical care, you should remain isolated at home and contact the Monroe County DOH to report a positive test.

- To report a positive test result, visit healthcalls.monroecounty.gov/hometest

- Monroe County is partnering with the Carlson YMCA, 444 East Main Street, 14604 and has opened a COVID testing location.

- Swabbing occurs Monday – Saturday, 8:00 am – 6:00 pm. Appointments encouraged; walk-ins accepted.

- To make an appointment, visit www.gogettested.com

- If you tested positive at home and only want to confirm the result, please use public testing locations operated by the county, state or local pharmacies: coronavirus.health.ny.gov/find-test-site-near-you

- UR Medicine Urgent Care evaluates and tests patients who are ill with symptoms and is not a testing only site. We welcome all patients needing medical evaluation.

Your safety is our #1 priority!
